Western Iowa Utility Relocation

Purpose

This appropriation will assist with the expenses associated with utility relocation in Sioux City. As a result of a State construction project on Interstate 29 (I-29), Sioux City is required to relocate utilities within the I-29 right-of-way. The city has estimated total relocation expenses to exceed \$50.0 million.

Funding

A total of \$1.5 million was appropriated from the Rebuild Iowa Infrastructure Fund in estimated FY 2018 for this project.
